

MOON
higienski,
revolucionaren,
kompakten,
koristen, ergonomski,
ugoden

MOON
zmanjša število potrebnih
surovin v ciklu obdelave

MOON
odlično razmerje med
kakovostjo in ceno zaradi
odprave centralnega jedra
(stročnice) zagotavlja znižanje
proizvodnih stroškov

MOON
odprtost stročnice-
kartona odpravlja
kakršno koli
odstranjevanje
preostalega proizvoda

MOON
optimizira prostor: v
skladišču, med
transportom, na
prodajnih policah in v
toaletnih prostorih

MOON
• Hygienic, revolutionary, compact, tangible, useful,
ergonomic, convenient. • Excellent quality/price ratio
because there is no central tube, guaranteeing lower
production costs. • Useable until the last sheet.
• Reduces the number of raw materials necessary for the
processing cycle. • There being no cardboard centre, there is
no residual product disposal. • Space saving: in the store, during
transportation, on shop shelves and in toilets.
